

PERSONAL STATEMENT

I'm a 27 years old Filmmaker & Video Designer from Anzio (Italy) currently based in Rome. I love everything that has to deal with Cinema and Visual Storytelling and I feel a true devotion for Film Direction.

I have 8 years of experience working as a assistant on film set and as video editor in my studio, but I'm ready to visit other countries and to work for an interesting post-production studio or on a prestigious movie set. I love working with people, especially if they have the same passion which I have for own job.

In compliance with the Italian legislative Decree no. 196 dated 30/06/2003, I hereby authorize you to use and process my personal details contained in this document.
